Memorandum:

REQUEST FOR TRANSFER OF DOMINION LAND

RE: Ronald Eustace Pugh - 895226
S. W. 15. 30. 22. West 4th. (HSD)
- Calgary District -

On the 18th of June, 1918, a loan of $1000. was approved in favour of Ronald Eustace Pugh, a qualified soldier settler, and, as security for its advances, a charge was imposed by the Board upon the above described land, the homestead entry of the above named settler. The full amount of the loan approved was expended by the Board on the settler's behalf in the purchase of stock and equipment and permanent improvements.

Although granted a loan on the security of the above described land, the settler devoted his entire time and energy to the operation of the adjacent property purchased privately. He was unable to complete the Agreement to Purchase he had entered into in connection with this property, and in the summer of 1923 left the district. Efforts to locate the settler proved unsuccessful, and the Board, in order to protect its interests, was compelled to institute adjustment proceedings. In due course, the agreement of the settler was rescinded pursuant to a Thirty Day Notice addressed to him on the 3rd of August, 1923.

The land in question being "charged land" within the meaning of Section 27 of The Soldier Settlement Act, and the settler being in default with respect to the terms and conditions of the Agreement made with the Board, it is hereby requested that the right, title and interest of the said settler in the above land be forfeited, and that the said right, title and interest of the settler and also the right, title and interest of His Majesty to and in the said "charged land" be vested in the Board.

A Vesting Order for your signature is attached hereto.

Chairman.

Encl.(1).

TO ALL WHOM IT MAY CONCERN:

WHEREAS it is in effect provided inter alia by section 27 of the Soldier Settlement Act, 1919, Chapter 71, 9-10, Geo. V., that notwithstanding anything in the Dominion Lands Act or in any other Act, in the event of a settler who is holding any Dominion lands on which a charge has been imposed, constituted or created by or under the said Act or the former Act, being in default with respect to the terms or conditions of any agreement of sale, mortgage or other document executed or made with or to the Soldier Settlement Board of Canada, (hereinafter called the Board) the Minister of the Interior, (hereinafter called the Minister), upon request made by the Board, may declare the right, title and interest of the settler to or in such charged land to be forfeited, whereupon the Minister may declare the said title or interest of His Majesty to or in such charged land to be vested in the Board.

AND WHEREAS Ronald Eustace Funk formerly of Chancellor, in the Province of Alberta, a settler holding the following described Dominion land, viz:-

S.W. 15-29-21-West 4th (H&D) upon the security of which the sum of $1500. was expended and upon which a charge has been created under the Act by virtue of the instrument named "Charge on Dominion Lands", executed by him on the 16th June, 1919, being in default with respect to the terms and conditions of the Agreement entered to the Board on the June 16th, 1919, in that he abandoned the land for the working, improvement and occupation on which advances were made to him by the Board, and otherwise failed to comply with the Loan Regulations of the Board, the undersigned upon a request made by the Board found and determined that the settler has made default as herein before recited and that the right, title and interest of the said settler to or in the said charged land should therefore be forfeited.

NOW KNOW YE that the undersigned pursuant to the powers and authorities conferred upon him by said section 27 hereby declares the right, title and interest of the settler in the said lands as well as the right, title and interest of His Majesty therein, except Mines and Minerals whether solid, liquid or gaseous, shall be and the same are hereby vested in the Board.

The quarter section is located

Sir,

I beg to acknowledge the receipt of your letter of the 20th ultimo, and in reply to say that you are mistaken in stating that Mr.G. Reid and James McTavish were allowed to acquire additional land as pre-emption.

The South West 1/4 of Section 32, Township 38, Range 4, West of the 5th Meridian is reserved for stock watering purposes and is not held by Mr.Reid. He, however, was permitted to purchase the South West 1/4 of Section 32 at the rate of $3.00 per acre.

Mr.McTavish was allowed to purchase the South 1/4 of Section 12, Township 39, Range 4, West of the 5th. Meridian at the same price.

I would point out that in your case permission was given you to buy one quarter Section at the minimum rate of one dollar per acre, subject to the performance of the ordinary duties.

As this reserve was made at the request of the settlers themselves and a great many quarters have become denuded of timber, it having been cut or burnt, it would save a great deal of correspondance if I was given permission to grant entries for quarters on the recommendation of the forest Ranger without referring the matter to Ottawa. If this is agreeable to the department I would like such instructions as there is no intention of reserving this permanently.

Department of the Interior,

Memorandum:-

I beg to return Mr. E.B. Phelan's letter of the 26th ultimo, and in addition to what Mr. Sheppard has stated in his memorandum of the 4th instant, I beg to say that it is contrary to the practice of the Department where a homesteader enters for a fractional quarter section, containing less that the theoretical 160 acres, to allow him to make up the deficiency out of other land. I observe that the Messrs. Phelan entered for their respective homesteads in August last in section 26, township 50, range 28, west 4th meridian, and that the homestead of J.F. Phelan, the N.E.¼ of the said section, contains 158 acres; that the fractional S.E.¼ contains 115 acres, the balance of this quarter section being crossed by the Saskatchewan River. The N.W.¼ contains 67½ acres and the S.W.¼ 135 acres, the remainder of these two quarter sections being covered by a small lake. According to our practice when applications are made for homestead patents for these two quarter sections, if the waters of the said lake have receded, and a declaration to that effect is filed by the Homesteaders, patents could then be issued to the entrants for the whole of the land ~~X~~ the land covered by water in each quarter section as shown on the

J.W. Greenway, Esq.,
Commissioner of Dominion Lands.

the plan of survey.

I may mention that the only vacant land adjoining the said section 26, is fractional section 27, which is adjacent to the W. ½ of section 26, the whole of which contains 26.80 acres.

MEMO. Mr. Conway.

Re shortage in the area of Section 26-5-0-25-4 mentioned by Mr. E.B. Phelan.

The shortage exists as stated except that in the S.E. 1/4 of the Section, the shortage is 25 acres and not 10 acres, so that the total shortage in the Section is 144 acres. I have attached a sketch showing the entrants for this Section and the water effecting the same. I think this will meet what you require.

I have also added the standing of surrounding lands. The Ty is only a few chains over two Sections wide

Sir,

I am directed to acknowledge the receipt of your letter of the 26th ultimo, and to say that it is contrary to the practice of the Department where a homesteader enters for a fractional quarter section, containing less than the theoretical area of 160 acres, to allow him to make up the deficiency out of other land, but under the circumstances of the case it has been decided to allow Mr. E. B. Phelan, who has entered for the N.W.¼ of section 25, township 50, range 26, west 4th meridian, to abandon his entry and to enter for a quarter section of land elsewhere if he so desires, and to sell the land comprised in the said quarter section at the regulation price of $3.00 per acre to Mr. Ellsworth D. Phelan or Mrs. E. Phelan, or to both of them jointly.

A copy of this letter is being sent to the Agent of Dominion Lands, Edmonton for his information.

MEMORANDUM:

Referring to your memorandum of August 29, file 25235A, herewith, township 45-8-4 was subdivided by Mr. H. McGrandle, D.L.S., in September and October 1903. His report states that Battle river has an average width of one and a half chains, is from four to six feet deep, has a current of about four miles per hour but does not flood any land except during very high freshets.

Mr. T. A. Davies, D.L.S., traversed the river through this township in September 1917, a season of unusually low water. He states in a personal interview that it was only two or three feet deep and that he forded it wherever necessary without any difficulty.

It would appear from the above information that Battle river in this township is fordable during low water.

Re S.W. of Sec. 24-45-8-w. 4th Mer.

Mr. Norman V. King filed on the portion of the above mentioned quarter section lying north of the Battle river as a homestead in January, 1918, his application describing the entry in that manner, and obtained letters patent therefor in October, 1918, (shown on the sketch attached outlined in red)

Mr. King now desires to acquire the portion of this quarter section lying south of the river, containing 76.3 acres which is vacant and available & c relative to the usual official records, claiming that the river is fordable and that he has had the land under cultivation for years.

The Surveyor General in his report aforesaid, states:-

"Referring to your memorandum of August 25, file "25284, herewith, township 45-8-4-was subdivided by "Mr. H. McCraddie, D.L.S., in [illegible] his report states that Battle river "for one and a half chains, is from [illegible] feet deep, "has a current of about [illegible] miles per hour at [illegible] "I do not [illegible] Mr. A. Davies, D.L.S., traversed the river through "this township in September, 1917, season of unusually low "water he states in a personal interview that it was only "two or three feet deep and that he found it wherever "necessary without any difficulty. It would appear from "the above information that Battle river in this township is "fordable during low water."

The Inspector in his report on the land states,

states:-

"House - nil
"Stable nil
"Granary nil
"Fencing 1/2 mile Value $25.00
"Cultivation 1920 Broke 10 acres Broke nil acres
" 1921 " nil 10 " Value
" 1922 " " 10 " $50.00
" 1925 " " 10 "

Total value of improvements.... $75.00

" I beg to report that I have inspected above land and.....

"and found part of it to be good agricultural land
"and part of it is rough and partly covered with brush.
"Above improvements is owned by Mr. King. A fair
"price for this land is $8.00 per acre. Judging from the
"price of land in this vicinity. The Battle River as
"it affects this land is fordable so as to permit applicant
"to work the whole quarter section."

Recommended

Under the circumstances there would appear to be no objection to granting the applicant supplementary letters patent for the parcel in question providing he had filed here evidence that he is still the actual registered owner of his homestead, this being in accordance with the practice of the Department.

In accordance with the decision as endorsed on my memorandum of the 21st October last, Mr. Norman V. King was advised that if he would have filed here evidence of ownership of his patented homestead covering the portion of the above described quarter section lying north of the river, supplementary letters patent for the parcel above described would be issued in his name.

The Manager of the Bank of Montreal, Wainwright, Alberta has forwarded here an abstract of title showing the patented portion of this quarter section lying north of the river to stand in Mr. King's name, subject, however, to a mortgage to the Bank.

Under the circumstances, I beg to recommend the issue of supplementary letters patent for the parcel in question in Mr. King's name.

Dear Sir,-

On behalf of Mr. H. Bentley of Dayaland I wish permission to scrip the N. W. 1/4 of 20-45-16. Mr. Bentley has now lived on the place for two summers, having filed March 1906. Also several fruit trees and berry bushes.

Mr. Bentley is in the Hardware Business in Dayaland and finds it a great hardship to continue to reside on his homestead. Mr. Bentley is a town Councillor and a Member of the Board of Trade of that place and an influential citizen and I hope the Department will accede to his request to scrip.

THE ASST SECRETARY

Memorandum:-

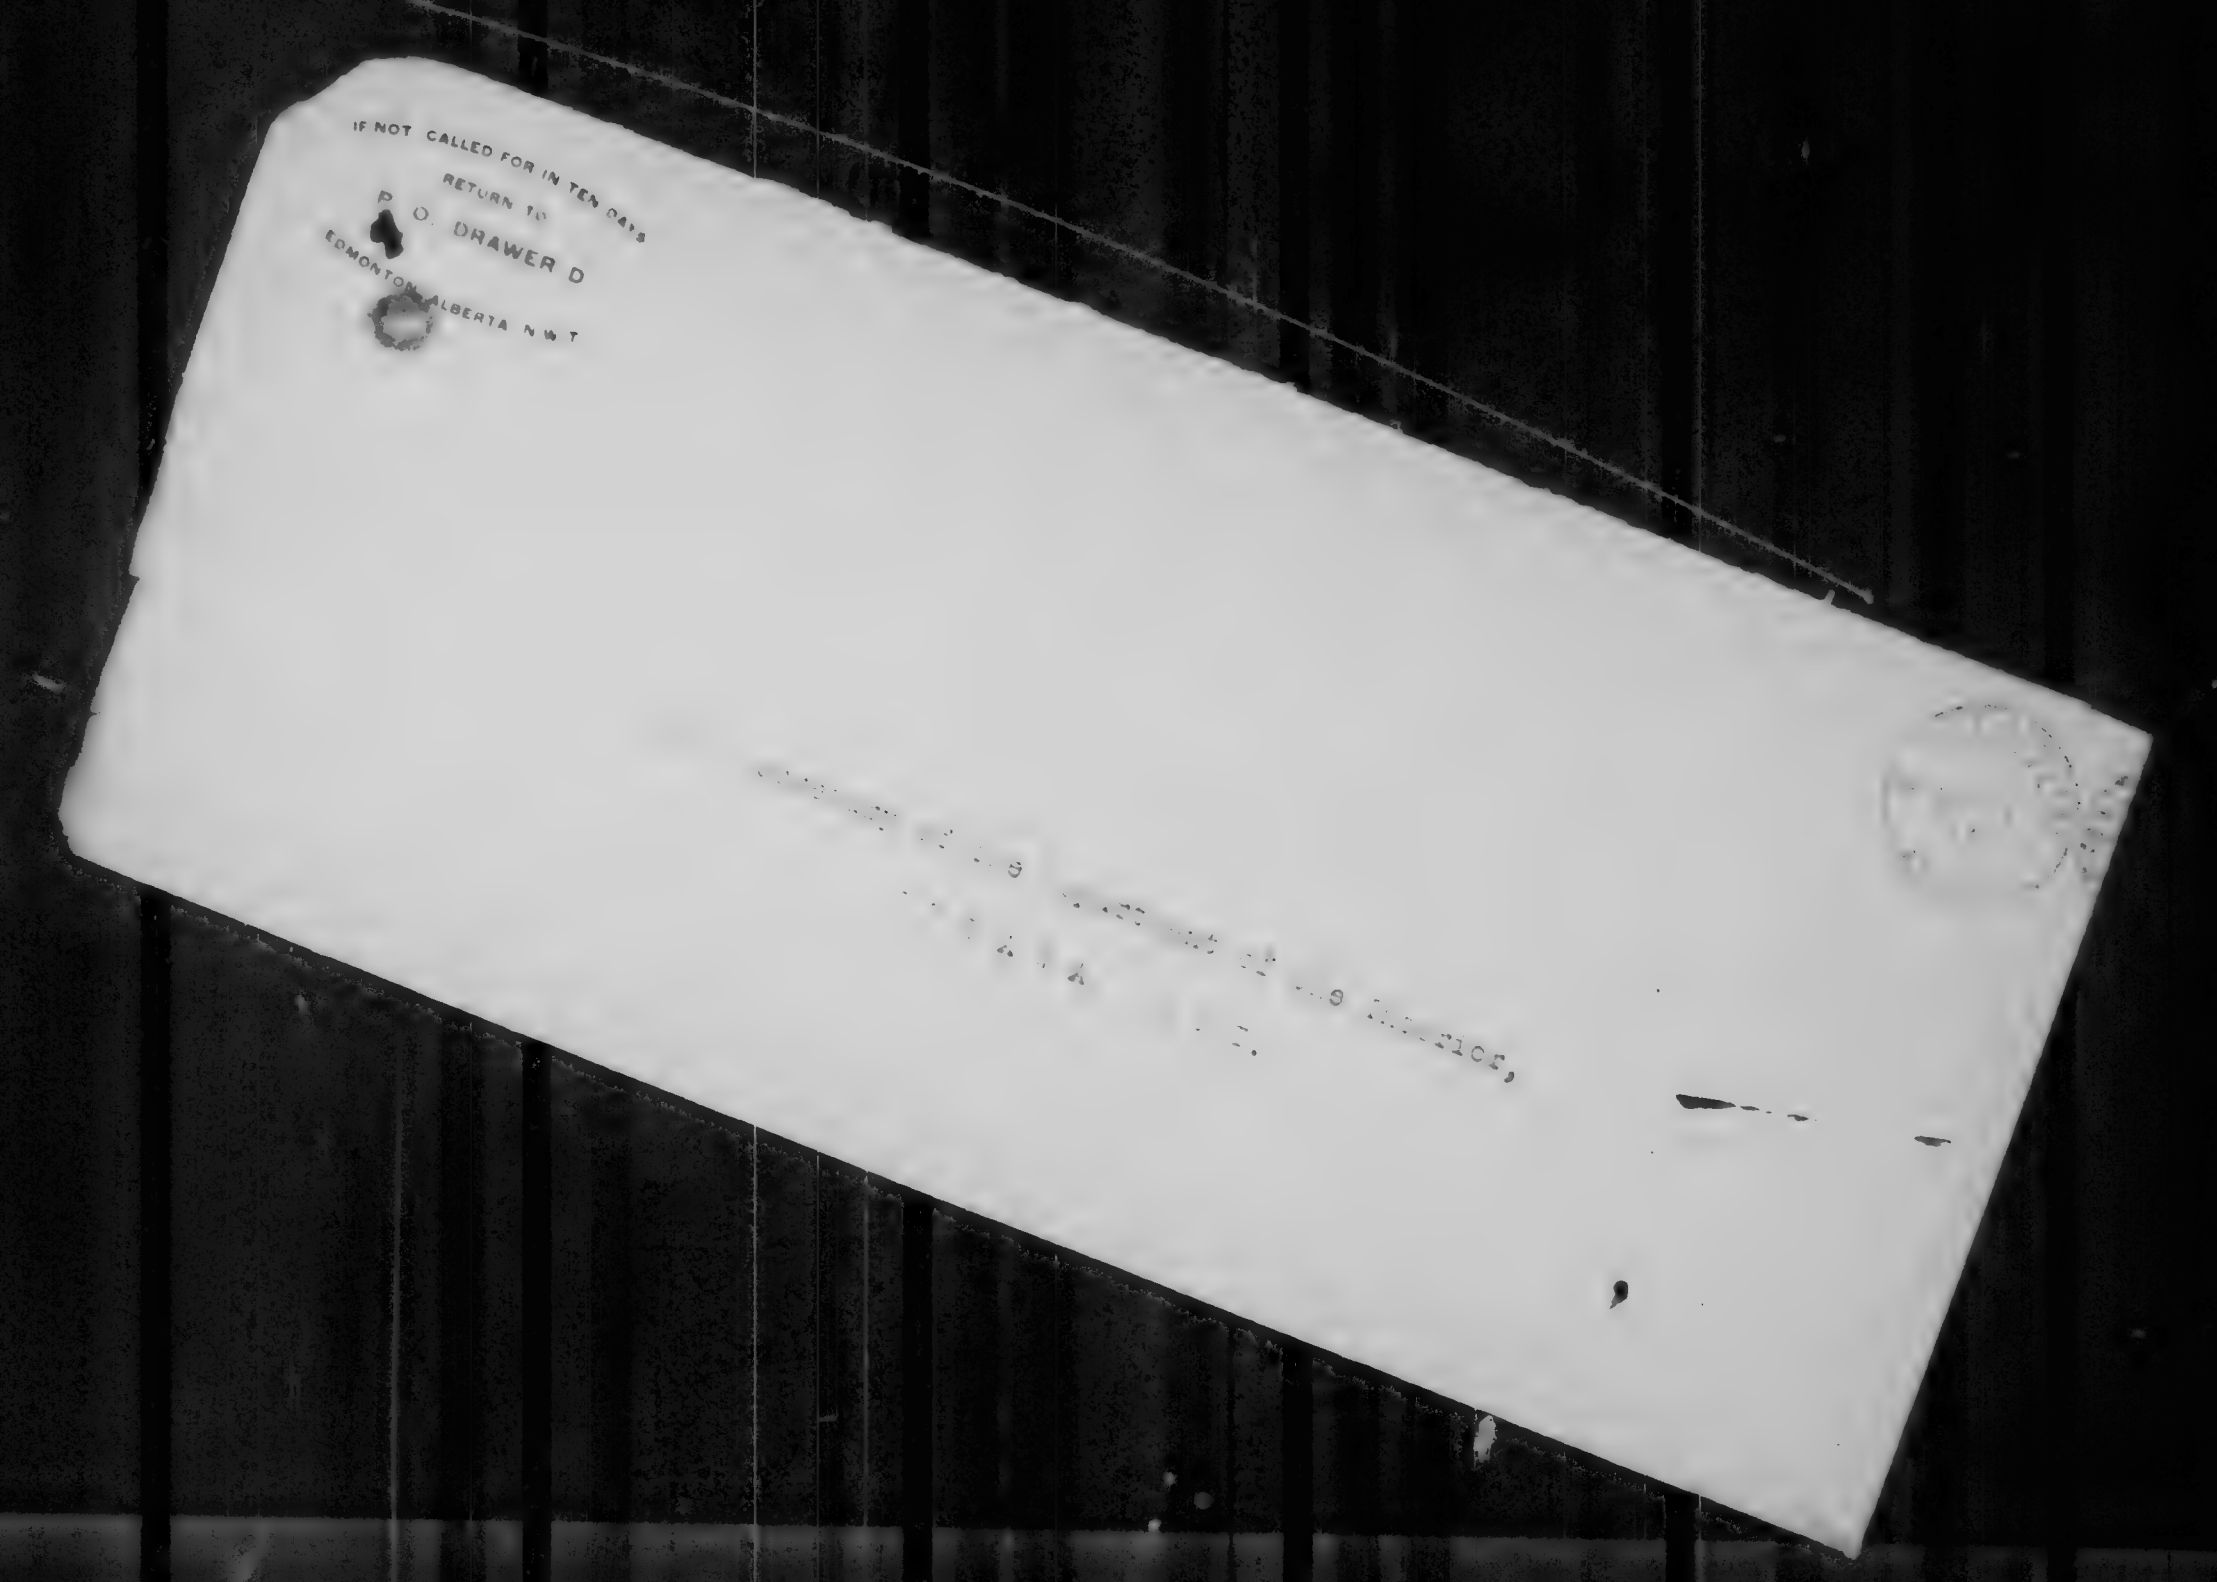

I beg to submit for your consideration Mr. J.K.Cornwall's application for a certain piece of land, shown on the tracing accompanying his application, comprising the S.W.part of section 18, township 80, range 4, west 6th Meridian, which has not yet been surveyed.

In this connection I beg to call you attention to my memorandum of the 19th ultimo, respecting Mr. Bredin and Mr. Cornwall's application to purchase a certain portion of land, comprised in the N.E.¼ of section 7 in the said township. It will be observed that on the sketch which was submitted in connection with the application last referred to, that the land now applied for by Mr. Cornwall is also shewn on such tracing, and you will, no doubt, remember that when Mr. Bredin ~~and Mr. Cornwall, when they~~ called at your office, stated that it was their intention to file an application later on for the piece of land now applied for by Mr. Cornwall.

Mr. Bredin was advised by letter of the 22nd ultimo, with regard to their application for the purchase of the 24 acres, above mentioned, that the sale thereof had been authorized at the regulation price of $3.00 an acre, but that it would not be possible to carry out the sale until the land had been surveyed by a Dominion Land Surveyor, under instructions of the Surveyor General.

Dominion Land Office,

City,

Gentlemen:-

We,(Revillon Brothers Limited of Prince Albert, Traders in the Northern country, do hereby request the Dominion Lands Bureau to grant us a certain tract of land in each of the mentioned settlements, as per plans and designs, to sustain our rights and secure our properties and merchandises against any losses prevailing in the said districts, a certain part of land occupied by our Trading Posts, as specified and enumerated on the accompanied plans.

It is very important and an absolute necessity for us to have a space of land large enough , where our posts are already built in each place and district, which we can clear, brush and work, thereby protecting our properties against forest fires which are numerous in said districts and very dangerous and uncontrolable in a pine and brush country.

Therefore, upon concession of our just request, we will blaze our lines, as we require them well defined, which will protect us against any person with intentions to buil within our limited space and securing our properties against camp fires left burning through carelessness of people and travellers.

Our request is for the same reasons and causes as those previously obtained by other companies and missions

I beg to enclose herewith for your consideration a copy of a letter received from Messrs. Memorandum:-

I beg to return letter from W. W. Brodin dated at Edmonton on the 10th ultimo, stating that during the spring of 1907 the Minister told Mr. J. V. Cornwall and himself that they could purchase all that part of the W½ of Section 18, Township 60, Range 4, west 6th Meridian, West of the Hudsons Bay Company's land at Dunvegan, North of the Peace River, together with all that part of the W.½ of Section 7, in the same Township, bounded on the East by the Hudsons Bay Company, and the production South of the Hudsons Bay Company's line; on the North by the Peace River; on the East by the line between the W.½ & W.½ of Section 7, and on the South by the South boundary of the W.½ of Section 7; and that he was informed that as soon as the above described lands were surveyed and survey approved, the lands would be sold at $3.00 per acre.

Mr. Brodin asks that their solicitors, Messrs. Short, Cross & Short, of Edmonton, be advised as to how the matter now stands, as they are anxious to complete the purchase.

In 1905, Messrs. Brodin & Cornwall applied to purchase the above mentioned lands, and on the 22nd May, 1905, Mr. W. W. Brodin was advised at Louisbridge, Manitoba, that the sale to him at $3.00 per acre had been authorized, but sale could not be carried out until the land had been surveyed.

The Survey Branch reports that the Survey is not

Revillon Bros., Ltd.,
Prince Albert

Gentlemen,

When J. Lestock Reid was at Lake La Ronge in September last surveying Indian Reserves he has taken one Plot right on top of the Piece of Land we have marked for ourselves. Our lines are cut quite clear enough and we have Posts at the corners, which no one could not help but see; also we have logs on the ground with the intention of building there. Also he was notified of our lines and as to where our Post are but took no notice of it. As we require this land here very much as it is about the only Piece fit to cultivate. By Mr Reid cutting off from us the amount he marked for the reserve it is leaving us with really no land at all, as our buildings are all on Rock and beyond that it is Muskeg. The Indians are not at all anxious to have our land taken into their reserve, also it is not their intention to cultivate.

This same thing has been done at Stacker River, where we have been cutting hay for three years. Now we have to look for other hay land as what we had cleared is now on the reserve.

Yours faithfully,
Revillon Brothers Ltd.,
N. Irving.

Messrs. Revillon Brothers, Ltd.,

Gentlemen,

I have been talking with Mr. Joseph Charles, Councillor of the Lake La Ronge Band; also with Thomas Charles, one of the Indians. These men were with the Surveyor at the time of marking out the reserve and they tell me they had no intention of cutting their lines through those of Revillon Bros. Ltd., Property; also spoke to the Surveyor of the same and pointed out your lines and Posts. From conversation with the Indians they are perfectly satisfied that the land marked out by Revillon Bros., Ltd., remain as before cutting the lines for the reserve.

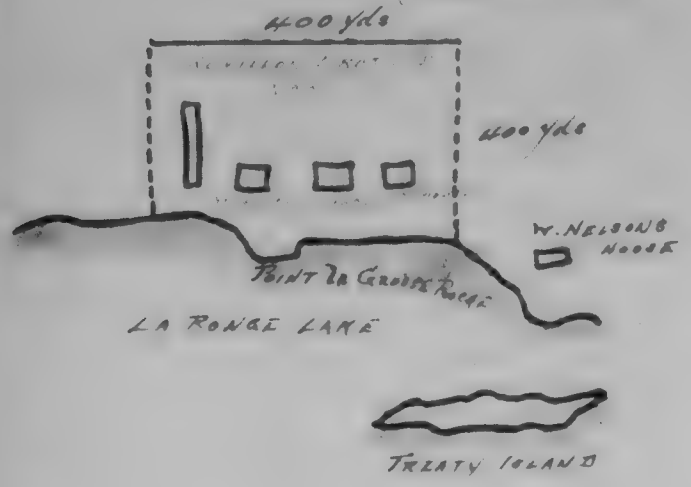

Yours faithfully,

Pierre Girard.

Sir,-

Referring to your letter of the 5th instant No. 262II-A I beg to inform you that with reference to the complaint of Messrs Revillion Bros. that Mr. J. Lestock Reid, D.L.S. has reported that he saw no lines or posts when making the survey of the Indian Reserve referred to at Lac La Ronge by Messrs Revillion Bros. He further states that the Agent of Revillion Bros. at Las La Ronge knew of his survey and when the boundaries were located and that he did not mention any matter whatever to him regarding these boundaries, also that no complaint or protest was made either at the time or afterwards although he was in the neighborhood for a considerable length of time.

This Department is willing to arrange the matter in any satisfactory manner. If Revillion Bros. have had a survey made and the plan filed with your Department we would be pleased to have a copy of the plan showing how much Mr. Reid's survey over laps the land included in the survey made by Messrs Revillion Bros. If the said gentlemen did not file a plan of a survey prior to that made by Mr. Reid it is thought that Mr. Reid's survey should stand and that Messrs Revillion Bros. should get additional land if they require it in depth or extension along the lake if there are no prior claims in that direction.

Gentlemen,-

Re Post at Lac La Ronge.

Referring to your letter of the 4th March last, addressed to the Agent of Dominion Lands at Prince Albert, in which you state that the survey of the Indian Reserve at this point interfered with the parcel which you had staked out for your post, I am directed to advise you, that the Department of Indian Affairs is willing to arrange the matter in any satisfactory manner, and they ask that you file a plan of survey of that claim, prior to time made by or Mead of the Indian Reserve, otherwise, it is thought that Mr. Reid's survey should stand, and that Messrs. Revillon Bros. should get additional lands if they require it, in depth or extension along the lake. I have to advise you, that any such survey could only be asked for the purpose of eliminating such parcel from the Indian Reserve. In case your application for lands at the northern posts is at any time approved of, it will be necessary that the lands you claim at these different places should be described according to Dominion Lands Survey of the township, or in case such survey should not have been made at the time, it would be necessary that your Company furnish the Department with plans of survey of

Rec'd. Registered.

On the 13th May, 1907, I sent to you for your file agreement between W. F. Bredin, J. K. Cornwall and E. C. Roberts concerning certain lands which were near Fort Dunvegan in the Province of Alberta, consisting of 150 acres more or less lying to the west and adjoining the Hudson's Bay Reserve on the north side of Peace River and 24 acres west and adjoining the Hudson's Bay Reserve on the south side of Peace River. In your reply (File No. 26211 A) dated 18th July, 1907. you stated that the application for Title to these lands had been noted. But that the lands had not been surveyed and that the Surveyor General had reported that instructions had been given to have a survey made that season.

Kindly advise me if the lands have yet been surveyed, and if Title may now be granted.

Thanking you in anticipation.

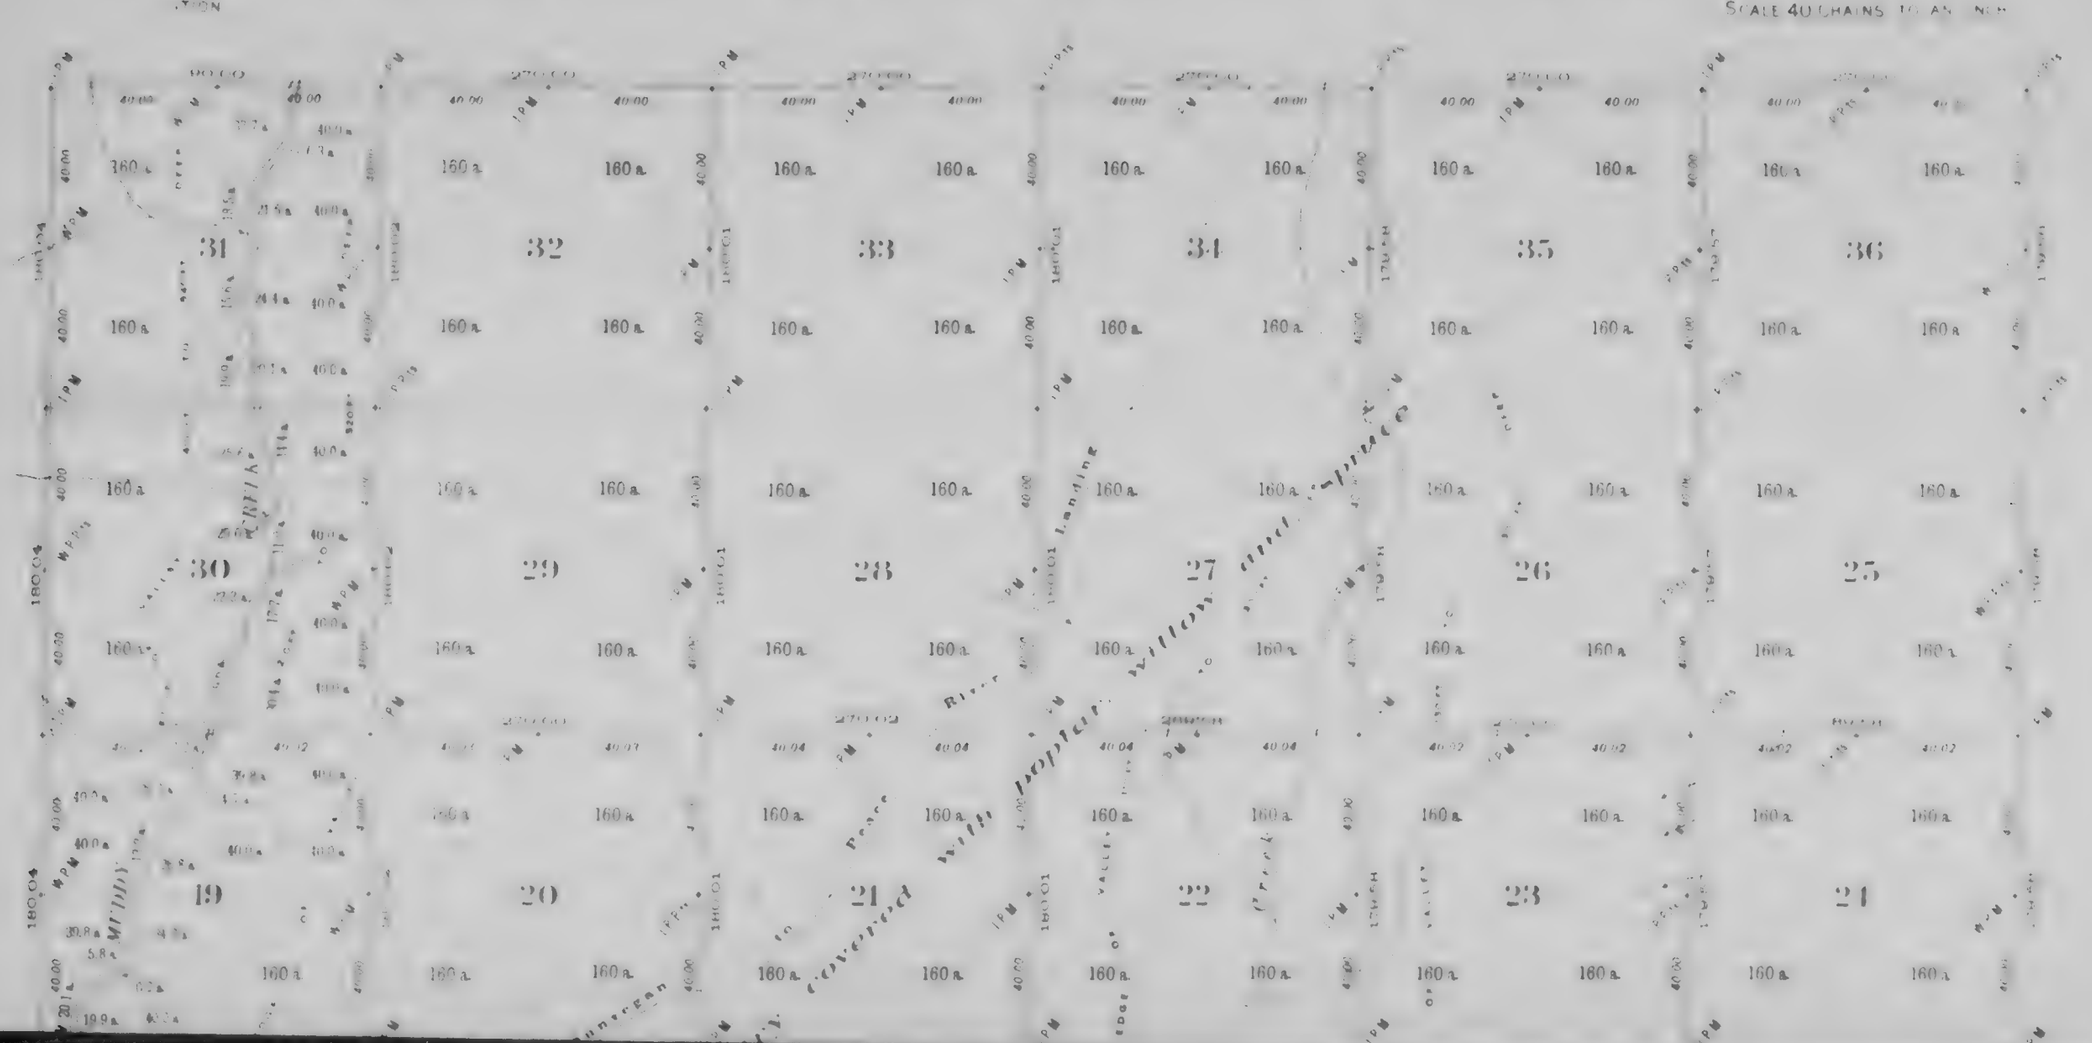

Yours truly,

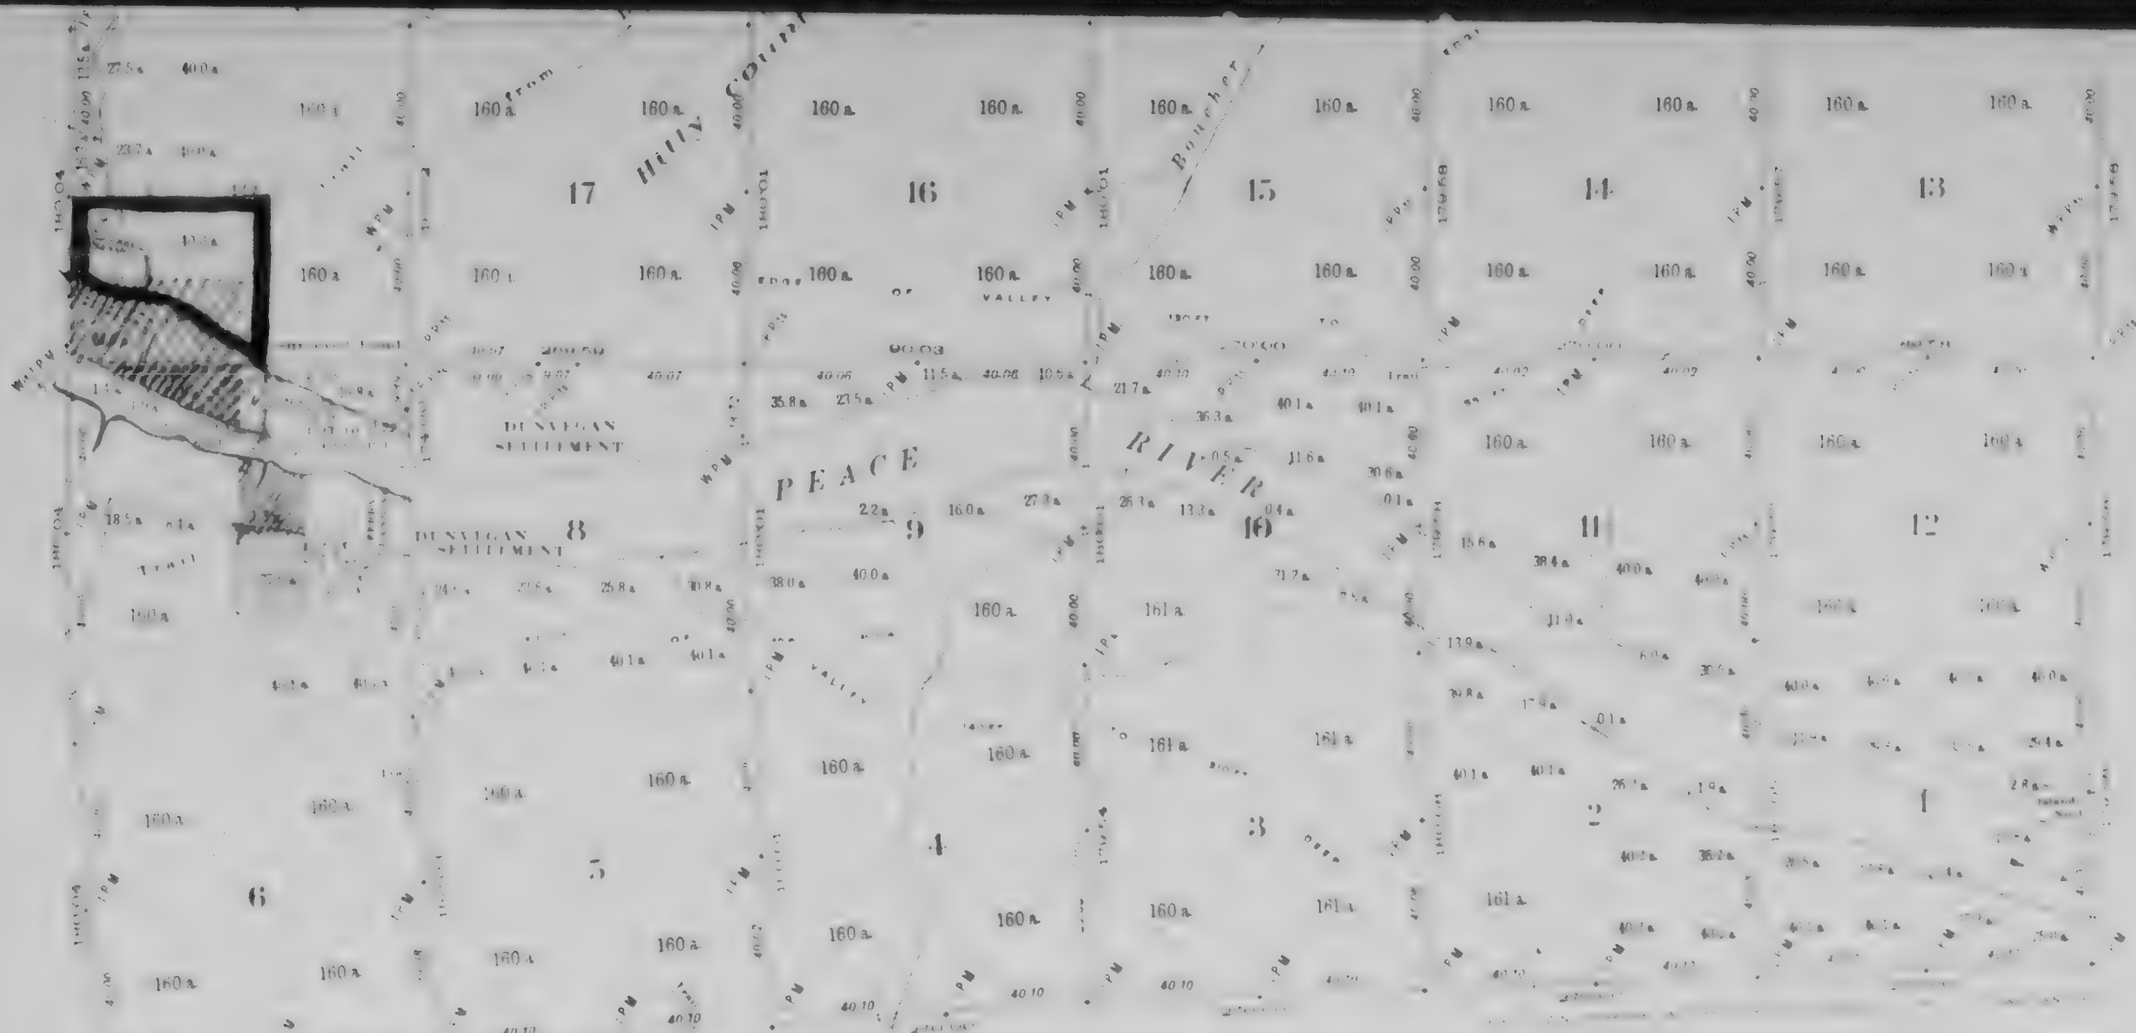

Agent.

Sir,

In answer to your letter dated December 7th. 1910, file #26211-A, in relation to the North West quarter of section 7, Township 80, Range 4, West of the 6th. Meridian. It would appear that this land was included in the Settlement survey of Dunvegan made by J. B. St. Cyr, D. L. S., in 1908. The land lies west of the Hudson's Bay Company's Lot but as we have no proper plan of this Settlement I cannot give the number of the Lot. I am informed by old settlers now residing at Shaftsbury Settlement but who formerly lived at Dunvegan that the Rev. Thomas Bun, English Church Missionary, built and went into residence on this land in 1879 and lived there until succeeded by Rev. J. G. Brick in 1881, who was succeeded by Rev. A. C. Garrick in 1886, who lived there until about 1891. About 1896 Mr. Robinson moved the buildings that were used as a dwelling and church to Shaftsbury Settlement. I attach hereto an affidavit of F. A. Brick, son of Rev. J. G. Brick, showing the improvements on this land in 1896, three years before the first treaty. The Right Rev. Sir,

In answer to your letter dated December 7th,1910, File #26911-A, in relation to the North West quarter of section 7, Township 80, Range 4, West of the 6th Meridian. It would appear that this land was included in the settlement survey of Peace River by J. .St.Cyr, D.L.S., in 1908. The land lies west of the Hudson's Bay Company's Lot but as we have no proper plan of this settlement I cannot give the number of the lot. I am informed by old settlers now residing at Shaftsbury Settlement who formerly lived at Dunvegan that the Rev. Thomas Cunin, in his Church History, built and went into residence on this land in 1879 and lived there until succeeded by Rev.J.J.Frick in 1881, who was succeeded by Rev.A.L.Sperrle in 1887, who lived there until about 1901. About that time Dunvegan moved the buildings that was used as a residence and church to Shaftsbury Settlement. I attach hereto an affidavit of J.A.Frick, son of Rev.J.J.Frick, showing the improvements on this land in 1888, three years before the first treaty. The Right Rev.Bishop Clouse claims that the English Mission had possession of this land at the time of Treaty 1879 and

according

The Secretary,

Department of the Interior,

Ottawa, Ont.

14th February,on file 16.11 A.,is not to my mind quite correct.

He states,that the land he was asked to inspect appears to be included in the Settlement survey of Dunvegan, this is not borne out by the plans published by the Surveyor General.(see copy of Settlement plan on file 16.11 A)

He also states that Messrs.Iredin &Cornwall sold to Hevillon Bros.,the building which they had erected on this land.

This is not borne out by the agreement of sale on same file.

The Agent further states that he thinks the English Church Mission are entitled to some consideration.

You asked me to find out about [illegible]'s employment at the time he made entry for same;namely the 15th May,1916. Upon enquiry I find that Mr. [illegible] contract on the 31st March,1916,for the subdivision of certain townships East of Lesser Slave Lake. The date for commencing the contract was the 21st April,1916,and for the completion the 20th December 1916. According to Mr. [illegible]'s field notes,he commenced work on the 7th May,and finished on the 17th November,1916.

of the 2nd June,1908) Mr.Fredin evidently refers to our letter of the 22nd May,1907,but that letter does not apply to the portion of the south-half of section 18.

The l[illegible] referred to in Mr.Fredin's letter of the 10th May,1908,as the south-half of section 18,township 60-4-6 is evidently the same as shown on the sketch which accompanied Mr.Cornwall's application,and which now is shown to be further east and covers the land applied for by His Lordship.

On the 16th February,1911,the Canal Branch of this office wrote to Messrs.Cornwall & Stuart advising them that if the lands have now been surveyed,that title be requested.

Mr.J.Smith,I.L.S.,was instructed by letter of the 20th March,1911,to survey a Half-breed Grant applied for by Mr.Cornwall, comprising the south-half of the south-west quarter of section 18, township 60-4-6,and his location to protect the frontage of the north-west quarter of section 7 north of the river in order that the same might be considered in connection with the application of Mr.Cornwall.

The first parcel is included in the land recommended in Mr.Smith's report.

Cornwall's application for the second parcel is marked in the same parcel are also in their application for by His Lordship.

A plan of the township on file shows the two applications conflict. One is correct.

The parcel applied for by Messrs.Cornwall & Stuart is outlined in blue,as is shown in the sketch according to their sketch which should be brought down to the true position of the river.

The parcel scraped by Mr.Smith is hatched in green, and the parcel he desires to purchase is hatched in brown.

The parcel applied for by Simon Moses is outlined in yellow.

The position of the river according to Mr.Cornwall's sketch is shown in red. The true position is shown in black.

The report of the agent above referred to dated the

furnished a sketch,and which sketch showed the land to be almost entirely within the south-half of section 18 in this township; but there can be no doubt according to the present survey of the township that the land Mr.Cornwall applied for really covers the land which His Lordship now applies for, based on the fact of occupation by squatting.

On the 18th June,1908, Mr.Cornwall was informed that as the land had not been surveyed his application could not be dealt with.

On the 22nd April,1909, Messrs. Peck,Avery & Lowell forwarded here a transfer of squatters' rights from Messrs. Breen & Cornwall to Messrs.Neville Bros.,Limited,in which the former transferred to the latter their entire stock in trade, goods, assets etc., and such assets were included all lands or interest in land of every nature which they have,or hold,or enjoy, at certain points known as their northern posts and specified as for sale—excepting two parcels at Cleverville particularly described, one of these being the parcel which Mr. Cornwall had previously applied for as the land which covers the land applied for by His Lordship, Henry Holmes; and they state in the transfer that they have applied for patent from the Crown of these two pieces.

On the 10th May,1909, R. A. Bell wrote from Edmonton (which letter was returned to the Commissioner) stating that during the spring of 1907,the Minister told Mr. Cornwall and himself that they could purchase all that part of the south-half of section 18,township 6-4-5-west of the Hudson's Bay Company's land at Cleverville,together with a certain other parcel,and that he was informed that as soon as the above described lands were surveyed and survey approved, the lands would be sold at $3.00 per acre,(see our memorandum

Re letter from His Lordship, Lafon Polson,dated the 17th February,1911,which I return herewith.

The land in question is evidently referring to in the fractional portion of the north-west quarter of section 7,township 20,range 4,west of the fourth meridian,and part of the north-east quarter of section 7.

This land has been recently surveyed and is shown coloured pink on the sketch hereunto.

This letter does not give any very definite description of the land applied for.

The A.P.L. in his letter of the 21st ult., file 26111 states " that the application was made some twenty years ago. Their buildings were removed or burnt by the Indians. They have never made cultivation for the land but understand they intend to so do."

The present application is evidently what he refers to.

The Agent's statement was the result of an application of J.H.Smith,Esq. to purchase a portion of this land and the Agent recommended an inspection before granting Smith's application.

He was accordingly instructed to detail a proper inspector to visit the land and furnish a full report. This has not yet been received.

On the 14th ult.,Inspector,R.J.Cornwall was allowed to homestead or purchase a parcel of land

The question arises as to whether Mr.Smith, at the time he made application for the location of the scrip on the 25th May,1910 before the Agent of Dominion Lands at Cranbrook, was an employee of the Government within the meaning of Section 41 of the Dominion Lands Act, prohibiting officers or employees of or under the Department of the Interior to acquire land or locate scrip, either directly or indirectly themselves, or to act as agent of any person in that behalf.

Memorandum:

In the month of February last a communication was received from the Bishop of Athabasca with regard to the claim of the Church of England to a small parcel of land at Dunvegan on which the old mission was erected at an early time. I advised the Bishop in reply that in view of the fact that there are several conflicting applications recorded against this parcel it may be very difficult to come to a definite conclusion. The facts of the case are fully set out in Mr. [illegible]. Cote's memorandum of the 5th ultimo immediately herewith. If a proper application had been filed in 1899 when the half-breed Commissioners visited Dunvegan a record could have been made of the claim of the mission, but as a matter of fact nothing whatever was entered about it, and as there

/2

Honourable Frank Oliver,
Minister of the Interior,

was no trace of any improvements on the land our Agent was justified in receiving applications from others. There would appear to be no doubt that Messrs. Bredin and Cornwall intended to apply for a tract of land including this mission site when Mr. Cornwall first wrote to the Department on the 14th of May, 1895, on the subject, and that it was the same parcel which was included in the bill of sale from Messrs. Bredin and Cornwall to Bevillon Brothers, Limited, a copy of which was transmitted to the Department in the month of March, 1897. As a matter of fact Bredin and Cornwall at that time had taken possession of this lot by erecting a log house thereon and when they sold their business to Bevillon Brothers they undertook to dispose of this property also. There was no objection to selling this land to Bredin and Cornwall if the claim had been clear, but if the Department had been aware at the time that the Church of England claimed the same there is no doubt that we would not have undertaken to dispose of the land. The matter is further complicated by the fact that Half-breed Scrip has been located on a part of the land applied for by Bredin and Cornwall, but

this

this does not interfere in any way with the claim of the Church because the land is situated North of the parcel claimed as a mission site. Under all the circumstances the best way out of the difficulty would be to try and arrange an amicable settlement between Revillon Brothers and the Bishop of Athabasca. If the former are willing to remove their building off this land it could then be granted to the Church in the ordinary way as a mission site occupied before Treaty. If, however, Revillon Brothers refuse to remove their building I think that we could grant another piece of land of similar area and of equal value in some other part of the district which the Bishop might designate.

Respectfully submitted,

Deputy Minister.

F.S.

Although the missionary was not in occupation of the land at time of Treaty there can be no question as to the tract claimed having been improved by the Church people for a considerable time before the buildings were moved further down the River. In proof of this there still remains on the lot a growth of trees surrounding the mission which were planted by the missionaries themselves and which are today in a thriving condition. This is the very spot that was selected by Messrs. Bredin and Cornwall.

Memorandum;

Mr. A. O. Cote-

His Lordship the Bishop of Athabasca called at my office yesterday with regard to the claim of the Church of England to a portion of section 7, township 80, range 4, West of the 6th Meridian adjoining the Hudson's Bay Post at Vermilion. After discussing the matter very carefully with him it was decided that he should obtain from Messrs. Bredin and Cornwall a relinquishment of their claim to this property exclusive of the small plot which has been sold by them to Revillon Bros. This matter may, therefore, remain in abeyance until a further communication on this subject is received from Bishop Holmes or Archdeacon Robins.

Memorandum:

J. B. Cote, Esq.,

Chief of Translations.

Re Messrs. Honeywell & Mitchell's letter of the 4th instant.

It would appear that Bevillon Bros. do not claim any portion of the south-half of the south-west quarter of section 16, township [illegible].

I might remark, that there appears to have been a wrong interpretation given to the letter relative to these lands, dated, 15th June, 1911, on file 7621lA.

All subsequent correspondence in the present file [illegible], now in question, was [illegible] to Bevillon Bros.

[illegible] that this parcel was excepted out of the transfer from the Fathers of the lands occupied by them as their Northern posts and, further, that they, Messrs. Fredin & Cornwall, were making application for patent for this parcel.

In view of the above, I do not see how the matter can be dealt with until we ascertain the views of Messrs Fredin & Cornwall in the matter.

The above remarks also apply to the small portion of the north-west quarter of section 7 north of the river, which Mr. Smith applied to purchase and which is included in the claim of Fredin & Cornwall and also covered by the application of the Church of England.

Memorandum:-

An application has been made by Mr. [illegible] to purchase fractional legal subdivisions [illegible] of section 7, township 10, range 1, east 6th meridian, containing [illegible] acres, more or less, [illegible] Mr. Johnston's homestead entry for the S.E.¼ of section 18, adjoining and separated from the parcel applied for by a road allowance.

[illegible] I am informed by Mr. [illegible] that Mr. Johnston's homestead entry for the S.E.¼ of section 18 will not be cancelled if the claim is established. It appears from such information that the only portion of the said land which is [illegible] is that lying to the north of the Hudson's Bay Company's lot [illegible] which is considered at all fertile, the portion of the lot to the south of the Hudson's Bay Company's lot being mostly of the poorest description, consisting largely of rock and scrub. The area of the said lot is [illegible] acres.

Mr. Johnston has [illegible] family.

[illegible] file, it is pointed out that Mr. Johnston's homestead, and the application was referred to Mr. Dixon for [illegible] action. He reports that part of the S.½ of the S.½ of section 7, comprised in Mr. Johnston's homestead was included in a price application to purchase by Messrs. Brouth & Cornwall, which parcel is shown [illegible] yellow

MEMORANDUM:

-Mr. Cory-

Re Application of Messrs. Brodin & Cornwall for certain lands at Dunvegan.

It appears that Messrs. Brodin & Cornwall have applied to purchase Fractional Legal-subdivisions 7 and 10, South of the River, containing an area of some twenty-four acres, on which there is a Trading Post and Store House in operation prior to the year 1906.

They were advised on the 22nd of May, 1905, that a sale to them of the said lots at the appraised price of $[illegible] per acre, but it would not be possible to carry out the sale until the Land Application for [illegible] had been duly surveyed.

It appears to be that [illegible] part in this transaction [illegible] permit Messrs. Brodin & Cornwall to purchase the parcel as [illegible].

On the 4th of [illegible], they also applied to purchase what after survey was found to be the S.½ of 1, and the N.½ of 7, as shown coloured, "pink" on the plan herewith.

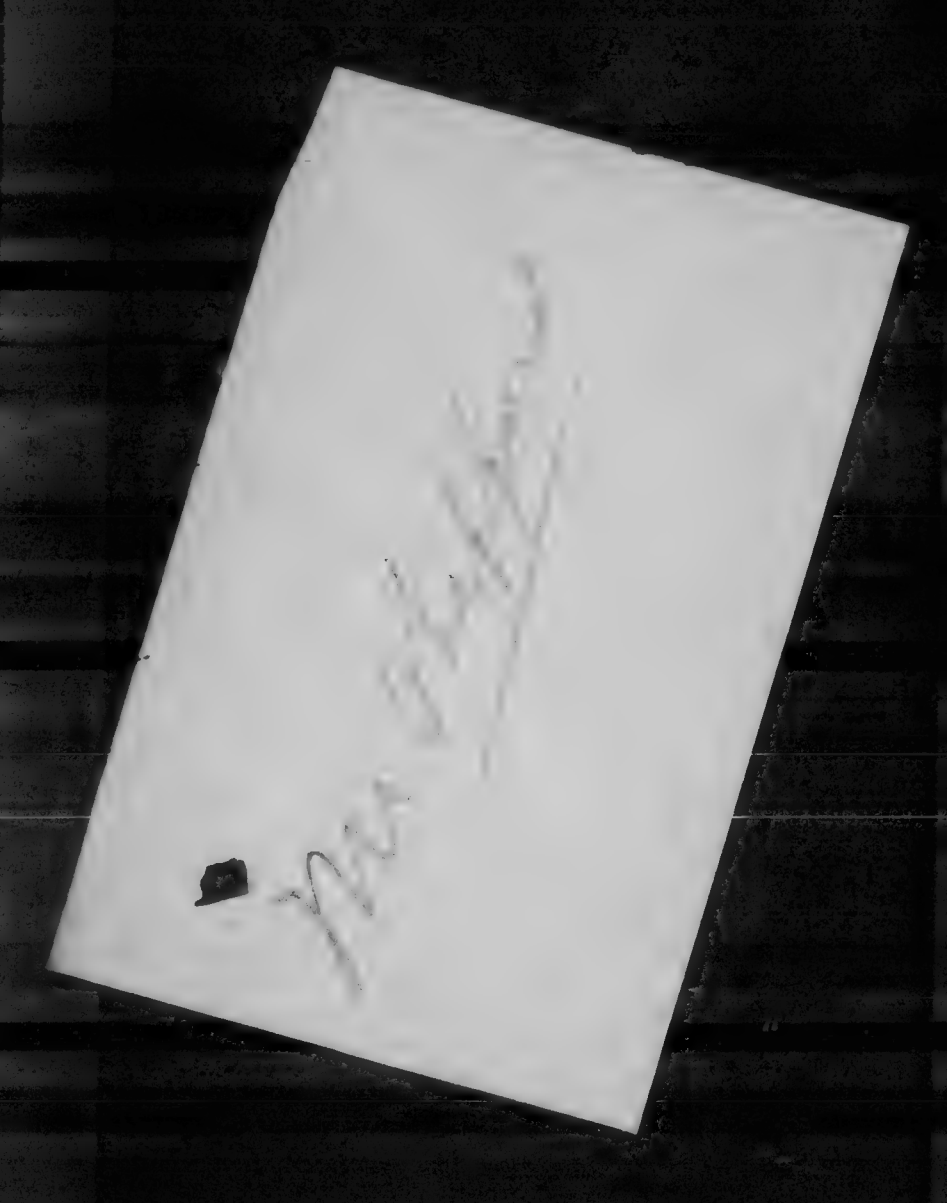

They were advised at that time that as the land had not been surveyed their application could not be considered, and by reason of [illegible] appears to have been sale that the land would be sold to them.

Since that time application has been made by persons on three different occasions, all of which conflict with the prior application of Messrs. Brodin & Cornwall, and it appears that the original application was made on the ground that they required the land in connection with their trading business in that country, and that they had a Post erected thereon in view of which I would suggest that the Agent at Prince Albert be instructed to visit the land at the earliest possible date, and make a careful report showing how the land has been occupied, what improvements in the way of building or otherwise have been made thereon, by whom and when made, also the exact location of the buildings and improvements.

When this is received the matter of the conflicting applications can then be dealt with.

As for the other lands until such time as your memorandum I concur in your recommendation that the Agent at Grassard be instructed to visit the land and report.

The departmental letter referred to therein as 2519803, was not meant to refer to the above land though that heading appeared in the letter. That letter had reference solely to the application of the Church of England to have their claim at Fort St.John placed on record in this department, and that the reference in the departmental letter to the survey was in connection with the latter. It is not known at present when the surveys will reach that locality, but when they are made you will be advised of the fact.

I might add that a misunderstanding appears to have arisen on account of there being several different parcels

Some time previous to the year 1906 an arrangement was on foot between W. F. Bredin and J. K. You have certain correspondence on file in the Department with regard to the matter. They were entitled to, approximately, 45 acres on the South side of the River and 150 acres on the North side. Ottawa, April 3rd 1911.

Memorandum,

I beg to return herewith, reference No. 4390 respecting Legal Subdivision 15 of Section 7, Township 60, Range 4 West of the 6th Meridian, and to say that this land is vacant in the records of the Department and adjoins the S.E.¼ of Section 18 which, it is stated, is the property of the applicant but which stands in the records of this Department, as a Military Bounty Grant in the name of Mr. J.H. Johnston.

The land applied for, which contains 10.8 acres and adjoins the Settlement of Dunvegan, was formerly applied for by Mr. J.H. Johnston in July last; he was advised, however, that his application could not be entertained.

A small sketch is attached hereto showing the land applied for, hatched red.

I may add that, a brother of the present applicant, Mr. J.H. Smith, located Half-breed scrip on the S.E.¼ of the S.E.¼ of Section 18 and we are awaiting a Homestead Inspector's report on same. He also located scrip on the fractional W.½ of the S.E.¼ of Section 7, but this location was recently cancelled and the land sold to Mr. W.J. Christie.

Respectfully submitted,

Chief of Branch.

Sir,

I am directed to acknowledge the receipt of your letter of the 4th instant, Ref. 3766, File 1.5 & 1.3, and to say that the location of Half-breed scrip which was made by Mr. J.W.Smith, D.L.S., on behalf of Christina Bigoo, on legal subdivision 2, 7 and 8 of the River, of section 7, township 30, range 4, West 4th meridian, could not be confirmed by the Department owing to Mr. T.J.Christie, D.L.S., who had made the legal subdivision survey, having recently retired.

The Department is awaiting the receipt of a report from Mr. Dominion Land Inspector Fletcher before taking any further action with regard to the S.½ of the S.W.¼ of section 15, township 30, range 4, West 4th Meridian, which report the Agent of Dominion Lands at Grand Prairie advises the Department by letter of the 1st instant would be obtained as soon as the roads were passable.

In any event the entry for these lands could not have been granted in your letter, as application for lands in the Province of Alberta must be forwarded to the Registrar of the District in which the land is situated from whom the patentee may obtain, upon application, a duplicate certificate of title.

MEMORANDUM:-

I beg to return you herewith, for reference No. 5305, in regard of a claim of the Church of England at Duncan.

There have been two applications by the Church of England for parcels of land at Duncan: one being for the north half of the south half of Lot 1, Section 7, Sec. 7, Tp. 9, Rge. 4, West of the 6th, not covered by Lot 1, Group 1, (as shown coloured pink on the accompanying plan). This parcel is bounded on the east by the road allowance to Mr. W. J. Cowichan and is known as the Church property: the other parcel is composed of a portion of the north half of the said Section 7, lying to the west of the west boundary of Lot 10, Group 1, and of its production northerly to the South of Para River and is shown coloured yellow on the plan.

On the 1st September, 1..., Mr. Drinkwater wrote that Mr. Lambly, the Bishop of Athabasca, had called at my office this morning to see me in regard to the claim of the Church of England. After I explained the matter very carefully with him, it was decided that he should obtain from Messrs. Brait and Cornwall a relinquishment of their claim to this property and that the latter should remain in abeyance until a further communication on this subject is received from

Sir,

I beg to enclose Statutory Declarations of Mr. Duncan McDonald, Mr. Frederick Bedson, and Mr. John Knott, and Mr. Henry McCorrister with respect to the conflicting claimsof that that portion of the north half of section 7-80-4-Westof 6thM., north of the river lying to the west of the west boundary of said lotIO and of its production northerly.

There is no doubt that according to the settlers around this land was used by the Church of England, and their occupation is evidenced by a graveyard where at least one memorial stone can be still seen. The settlers state that though the mission buildings were removed to suit the worshippers there was no intention of abandoning the site.

Archdeacon Robins the Commissary of the Diocese called at this office on August IO last for information re the propertyand we assured him that justice would be done him by the Department.

The affidavits were found here on August IO last having been apparently taken by the former agent here and apparently not transmitted.

The Hon.

Dear Sir.

I desire to express my grateful appreciation of all the courtesy & attention extended to me.

With further reference to our conversation of yesterday, I understand that the application by the Bishop of Athabasca for land originally occupied at Dunvegan Mission has been considered and that a portion of it to the extent of about 3.30; acres has been granted.

I beg to ask for the right to purchase the land lying immediately to the North of this portion in the fraction of S.E. /4 of Sec. 7. between that portion granted and the surveyed road allowance between Sections 7 & 18. containing about 7 or 8 acres, so that the Church may have access to the land and for the whole land have absolute title.

Regarding the application for various sites of land for Church purposes which I submitted on October 29th last, I am anxious to be allowed, instead of receiving them as Free Grants, to purchase them outright at $5. per acre, in order that the Church may have absolute title.

I should esteem it a convenience if this facility to secure absolute title may be applied to all other sites for which application has been made by the Diocese in the past year, or two, and particularly to the grant of

You will notice that the ~~note~~ grant is in the form of a Letter and Special Grant.

The Deputy Minister desired me to tell you that the Scrip is to be issued in the name of Edwin Roderick Robins Bishop of Athabasca, and that there was not to any Special Grant the whole thing to be a sale and that the issue of the Scrip is to be proceeded with, if there is no other reason to the contrary

Ref. [illegible]

6th November, 1913.

My Lord,

In compliance with your verbal request, I beg to send you, herewith enclosed, a statement showing the present standing of the lands in the Diocese of Athabasca which have been applied for by the Church of England and also the further action which is required in each case before the issue of letters patent for the several parcels of land enumerated therein may be proceeded with.

Enc.

It will be observed that in the five following cases the issue of the letters patent have been stayed pending the receipt in the Department of letters of incorporation:-

12 acres in N.E. corner of S.E.¼ 15-71-19, West 4th M.
Lot 41A Spirit River,
Lot 13 Peace River Landing
11.[illegible] acres of N.E.¼ 7-[illegible]-4, North of River,
Lots 3 and 4, Ranges 1 and 2, Fort Vermilion,

The Right Reverend E. F. Robins,
Lord Bishop of Athabasca,
9 Sergeants Inn,
Fleet Street,
London, E.C.,
England.

The lands described in the two parcels last mentioned were granted by Order in Council to the Church of England, and in these two cases I am advised that the patents could not, in any event, be issued until letters of incorporation have been obtained; and that in the other cases, where the lands have been acquired by voluntary conveyance and have been paid for, there would not be any serious objection to the patents being issued at once in your own name, but it is considered that it would be much more satisfactory and more regular that the patents to be issued in all these cases in the name of a properly incorporated body. The delay in the issue of the letters patent in these cases need not in any way prevent you, if you so desire, from making use of the lands which you have in the meantime paid for, but the Department for the Church of England.

As soon as the money for the several parcels which have been selected by you have been paid for in full, if received in the Department, a formal receipt in each case will be issued and sent to your address.

Yours

There is no record of any patent having been issued for any land in the Peace River or Athabasca District in the name of your predecessor, the late Bishop Holmes, but it is found that two grants were ~~made to the Church~~ of England by letters patent, [illegible] 3rd January, 1[illegible], and 26th February,1910, respectively, upon conditions which [illegible] made by him. For Lot No. [illegible] Hart River and Salt Prairie Settlement and for parts of Lot No. 11,Shaftesbury Settlement.

I think in reply Mr. Cowert might be advised that prior to the sale to Mr. Christie being carried out the Department was informed by him that there were no bona fide squatters upon the land at that time; and that it is not within the province of this Department to advise him as to [illegible] Provincial Secretary's Office the land upon which the squatter referred to is built.

[illegible] patented to W. J. Christie.

I beg to submit for your perusal the letter [illegible] to this file, dated 11th ultimo, from Mr. C.H. Cowsil, Manager for Revillon Frères Trading Company, Ltd., in which it is stated that the Company has a warehouse on the south side of the Peace River at Dunvegan, which until recently they thought was on the Hudson's Bay Company's property in Lot 11, Group 1, but which is in reality outside that settlement and included in the quarter section [illegible] which they were advised had been patented to Mr. W. J. Christie, of Winnipeg.

They seek to be informed whether at the time of making application for the lot Mr. Christie represented that there was a part of this lot to which they had a claim, stating that would be the last opportunity for them to [illegible] their rights to this land, as it is necessary for them to have their warehouse which has stood on its present site for many years.

The parcel of land referred to is comprised in the [illegible] which was sold to Mr. W.J. Christie at that point in 1911, and which was patented to him on the 1st April of that year. Before the sale was carried out Mr. Christie represented to the Department that there were then no buildings upon the land and that he would undertake to indemnify the Department against

OTTAWA, 18th September, 1924.

Sir:-

I beg to acknowledge the receipt of your letter of the 19th ultimo, making application to purchase that portion of the North East quarter of section 7, township 80, range 4, west of the 6th meridian, lying north of the river, in connection with your ownership of the fractional North West quarter of the same section, lying north of the river, and to say that the Department is not in a position to consider the same as the vacant land in this parcel does not adjoin your land, there being a portion of the fraction in question north of the river and adjoining the west half of the said North East quarter which is patented to the Synod of the Diocese of Athabasca.

For your information I may say that no Dominion lands are at present available for sale except in certain cases where small fractional areas of eighty acres or less are disposed of to the owners or the homesteaders of lands lying immediately alongside.
